Year: *2019*

Url: *link do rada*

## Reference to citation 1:

Name of author: *markomarkovic*

Title of publication: *safasfsafsafa*

Year: 2323

Url: *sdgfaf*

**Reference to citation 2:**

Name of author: *noviautor*

Title of publication: *naslov rada*

Year: 2017

Url: *link*

*Review id: r1*

*Id of publication to review: sp1*

*Date of submission: 2006-05-04*

*Reviewed by: reviewedBy1*

## **Overall evaluation:**

acceptable without revisions

## **Comments to author:**

commentToAuthor0

## **Comments to editor:**

commentsToEditor0

## **Criteria evaluations:**

Relevance of research problem: excellent

Conceptual quality: excellent

Methodological quality: excellent

Readability: excellent

Originality: excellent
